The NEXT generation Sonic ratchet.

NEXT

The Sonic NEXT ratchet is the most powerful in its range. This ratchet has an ultimate ergonomic design which provides optimum contact and therefor a higher power transmission up to 757Nm. The 60 teeth in the NEXT ratchet ensures more accuracy and efficiency. On top of this, the narrow head of the Sonic NEXT ratchet offers the possibility to reach even the most confined spaces.

# The next generation Sonic torque wrenches.

Available in 6 different models for a wide range of applications from 5 to 340Nm and various connection sizes. Equipped with an ergonomic grip and a chrome-plated spring tube with clearly visible scale in Nm and lbf ft, this allows the torque wrench to be set quickly and accurately. The NEXT torque wrenches come standard with right-handed calibration and are optionally also available with an ISO 6789-2:2017 certificate. For optimal protection, a hard-shell protective case is included.

## Sonic warranty program.

Our Sonic warranty program has been compiled with care to communicate our policy clearly and transparently, aiming to support our partners and customers as best as possible. Sonic offers three levels of warranty periods for different product group selections, which are explained in more detail on the next page.

### Sonic warranty terms & conditions

Please note that the Sonic warranty is applicable when the product is used normally and correctly. Please refer to our website for the specific Sonic warranty duration for each product. The warranty period starts from the date of purchase and is only valid in combination with an original proof of purchase.

- > For comprehensive information regarding our warranty terms, please refer to our warranty conditions, which are a part of the general terms and conditions on our website.
- > Your primary point of contact for warranty matters is the place where you purchased the product. The general terms and conditions of the selling party apply to the purchase.
- > Always read the manual before using the product, and do not open or modify it, as this will void the warranty. If you have any doubts or questions, please contact our Support Team.
